Jewish Federation of Delaware announced that it has earned the 2018 Platinum GuideStar Profile Seal of Transparency, the highest level of recognition offered by GuideStar, a source of nonprofit information. By sharing metrics that highlight progress, Jewish Federation of Delaware is reaching its mission and helping donors move beyond simplistic ways of nonprofit evaluation such as overhead ratios. To reach the Platinum level, Federation added extensive information to its Nonprofit Profile on GuideStar: basic contact and organizational information; in-depth financial information; qualitative information about goals, strategies, and capabilities; and quantitative information about results and progress toward its mission.
