October 2, 2019, Wilmington, DE – Jewish Federation of Delaware has earned the highest ratings from the top three evaluators of nonprofits; a **Four-Star Rating** from **Charity Navigator**, a **Platinum Seal of Transparency** from **GuideStar** and a **Top-Rated Award** from **GreatNonprofits**. Federation is currently the only nonprofit in Delaware to earn the highest ratings from all three industry evaluators.

Federation received its fifth consecutive **Four-Star Rating** from **Charity Navigator**, the nation's largest and most-utilized evaluator of charities. Only 13% of evaluated charities have received at least five consecutive four-star evaluations indicating that Federation outperforms most other charities in America. **We are one of only eight four-star rated charities in Delaware and remain the highest-rated nonprofit in the First State earning a 96.79 score (out of 100).**

Charity Navigator rates charities by evaluating two broad areas of performance; Financial Health and Accountability & Transparency. These ratings show donors how efficiently a charity uses their support today, how well it has sustained its programs and services over time and their level of commitment to being accountable and transparent. Charity Navigator provides these ratings so that donors can make intelligent giving decisions, and so that the philanthropic community can be more effectively monitored.
