## Together & Apart: The Future of Jewish Peoplehood

*A Shalom Hartman Institute Study Series*

Led by Rabbi Jeremy Winaker

Through lectures, text study, and question/answer sessions, we are pleased to bring this world-renowned program of the Shalom Hartman Institute into the Congregation Beth Shalom community this winter.

This iEngage series addresses the complex features of Jewish peoplehood inherent in our tradition and in our history. Who are we? What does it mean to be a member of the Jewish people? And what are some of the fundamental values that this encompasses?

**Each session includes** a one-hour lecture including text study and a 30-minute questions/answer session led by Rabbi Jeremy Winaker in addition to online access to all video lectures and roundtable discussions with leading Hartman scholars.
